Watch my purple dick nigga  
Getting money every day, it's not stopping me  
I fucked a lot of hoes  
But it ain't no loyalty, loyalty  
Money got me thinkin', that there's more than me  
So I finessed the plug you got to honor me, loyalty  
Playing in the streets then you can start to be  
We got all these fuckin' girls  
Ain't no more than me  
Shit, I just try to eat, so won't starve  
Ricky got a whole squad so you can work for me

Niggas are fuck boy ain't no loyalty, loyalty  
Can't trust a bum bitch no ain't no loyalty, loyalty  
I got from my respect boy I need royalties, loyalty  
Niggas ain't my homies, they like hoes to me, pardon me  
I'm a small dick nigga so ain't no  
Loyalty, loyalty, loyalty, loyalty

Can't trust a bum bitch no ain't no loyalty, loyalty

Loyalty, loyalty, loyalty, loyalty  
Loyalty, loyalty, loyalty, loyalty  
Everybody got a hole in their ass  
Thinkin' you gonna burry me  
Everywhere I go I see purple dicks  
It's kind of disturbing me  
I steal with my niggas  
Ain't shit changed but the money and the days of the week  
I'm still with my niggas boy you know this 'til the death of me  
With money comes power, these bitches know the recipe  
Niggas are falling  
They think these guys are helping me  
These niggas starvin'  
And there is no loyalty

Niggas are fuck boy ain't no loyalty, loyalty  
Can't trust a bum bitch no ain't no loyalty, loyalty  
I got from my respect boy I need royalties, loyalty  
Niggas ain't my homies, they like hoes to me, pardon me

Niggas are fuck boy ain't no loyalty, loyalty  
Can't trust a bum bitch no ain't no loyalty, loyalty
