How much money can I have?
Its okay, don't say a thing
Girl, I'm tryna make your body rock
Show me how to land this plane
Tell this girl I be to high
I smoke too much Mary Jane
I fuck until my low about
See baby just say my name
Don't blame me, it ain't me
Girl, I ain't got No Worries
I'm somewhere thinkin' money
No, I ain't got No Worries
I got shots for y'all
Get ready for y'all
Ain't no way I'm straw
Nobody better cause
Ain't nobody pay up
Like searching for a cross
I don't think I'm bulletproof
But I ain't for none
