One way street driving backwards  
I done shot so many jumpers call me Steve Kerr  
I done made a couple million off prolific words  
Step in Foxtails Mall, rockin' fox fur  
The Bentley Azure, I done drove that  
Five hundred rice sack I did in 2 hours  
You know my pockets smell like sour and the gunpowder  
Big balling every night like I'm Vanna White  
My teeth crushed ice over white Sprite  
I done sipped a whole pint at the stop light  
Well over a million on my jewelery  
Aw shit look who it is, the white Mr. T
