I be too cool with some hoes round me  
Let's leave the club yeah the drinks on me

Today a good day I gotta stunt a little harder  
Relaxing taking time I love to multiply dollars  
I get guap in every state it ain't no matter no problem  
We can have a little menage girl I ain't tryna provoke ya  
Got all these hoes around girl quit talking that nonsense  
You gone fuck and turn the party up quit jammin' that bullshit  
I'm just here girl for the moment girl let me know what we doin'  
,  
Don't get use to the movement
