Blunts off of bushes misbehaving occasionally  
Eyes stuffed in smoke so I'm just dazing  
Left hanging, paper work re-route and chasing guwap  
So don't it phase me  
Smoking too much purposely she think a nigga angry  
Smoking on a stanky, the stanky smelliest  
Roll another blunt just keep it flame now  
She ain't having it  
Good smokes, good dick, baby you intelligent  
Tried to pass the pussy but rotation she ain't having it  
Smoke more, feel good, relax yo let's get high to this  
Keep the blunt burning in rotation man I be chilling back

Let's flame up  
Gas what I smoke, OG the title  
Not homegrown  
Too much smoke, too much too smoke  
My lungs hurt  
Shoot on the go, pay as you go  
It ain't hard work  
Fasten ya coat, fasten ya coat  
Best stay armed ho  
Tried to get rolled, murder she wrote  
Play my pargo  
Smoke or get back, smoke or relax  
My vibe go  
Spill and get whacked, dissing ya cat  
That's all folks  
Now watch me smoke till my lungs hurt  
Aye, smoke till my lungs hurt  
Watch me, smoke till my lungs hurt
