Don't be all frowning baby
I see you smiling
Don't be a diamond baby

We might have rounds baby
It might go down crazy
Pay no sounds, so down
Don't start or we can't [?] baby

You won't slow down, well damn baby
Can I drown? I'll go down

I see you smiling

Don't be a diamond baby

Bright up

Bright up, bright up
Bright up your smile
Bright up, bright up
