Sdot Go

Monday, Tuesday, Wednesday
Sometimes I'm just not available
Bitch I'm tryna have fun, just throw it back, Imma do what you here to do
D-Dior I get her a pair or two
There's not a block that I didn't appear to
This- This nigga don't even notice that I got my gun
Try to run up I dare you

I'm on that block with my sitch, sweep shit
I'm with a bitch she was tellin me throw
I cannot go for a bitch
I'm on the hill with my grip trying to catch me a 'O'
CEO status and shit, niggas be mad at the kid
I be feeling like HOV
What you gonna do with a grip
If brodie gon pass you a grip, bro you better not fold
Bro throwing signs, he was patting his head
But he got his hair done, I'm thinking he itching
He trying to tell me to throw at a 7ev
No I don't know him but he got a feeling
It was night time, we tryna kill him
I got extensions taller than the ceiling
I'm in that park, and I got two, three toys on me
But it ain't for no children

Like, bitch you a eater
She all on my dick cause she heard I'm a sweeper
This nigga mad cause his bitch on dick
He did not know that his bitch is a cheater
She a thot like why would you keep her
She keep beggin for me to go deeper
Try to line me, she gettin' shot
There's no way that's gonna happen I stay with my heater
Like why she keep saying she love me
Trying to turn me into a believer
Like why the fuck she in my likes
Like I had to find out like that bitch the eater
Over east thot, that bitch a treesha
If I say "I love you" don't fall for it neither
Like that bitch a cottie, for the sweepers
And the way she throwing it back I might seed her
She a nice bitch, she a creamer
And she toxic, she a screamer
Scratching my back from the way that I'm giving her dick
After this word to bro Imma leave her
I can't tell you about love not a preacher
Ain't a tutor, but shit I can teach her
Like my opp if you wanna be my skeezer
Oh she yellin' PAHHH in the party, I need her
