

First On My List

Sea Girls

There's no song that I could stream
There's no pill that I could take
There's no wave that could carry me
There's no record I could break
There's no candy I could suck
There's no Sherbet that's sharp enough

'Cause the fact of it is
You're the first on my list
You're the first on my list
You're the first on my list

And I don't wanna hold back
Come over on the weekend
Oh, if you're gonna let me know
There's a party if you wanna go

And they will play
All our favorite songs
And we could dance along
And maybe we'll go home
And get undressed
And get undressed
And get undressed

There's no beat to get down to
Like the rhythm around you
We'll put on double black denim
And we'll go to the river, go swimming
Let's read our books in a nightclub
We can do anything, my love

But I don't think I've ever told you this
You're the first on my list
You're the first on my list
You're the first on my list

And I don't wanna hold back
Come over on the weekend
Oh, if you're gonna let me know
There's a party if you wanna go

And they will play
All our favorite songs
And we could dance along
And maybe we'll go home
And get undressed

I don't want to hold back
Come over on the weekend
Oh, if you're gonna let me know
There's a party if you wanna go
And they will play
All our favorite songs
And we could dance along
And maybe we'll go home
And get undressed

And get undressed
And get undressed
And get undressed
And get undressed
