

Believe Me

Seabird

I try to keep up, I swear that I do.
But every time I look up I lose site of you.
I never wanted to be the way that I am,
But it's not my fault, it's just my circumstance.

Believe me, believe me when I say,
I never wanted it this way. Believe me when I say,
I always tried to do my best. I gotta get this off my chest.

I wanted to be just where you are
Cause you're a beacon of light that awakens the stars.

I see you holding a fire, deep in your heart,
I know I'm not the one but I'll play the part.

Believe me, believe me when I say,
I never wanted it this way. Believe me when I say,
I always tried to do my best. I gotta get this off my chest.

Someday soon, I'll be alright again.
I pray you've not forgot. Someday you will see the light again,

And find all that you've lost.
