

Cardigan

Seafret

Vintage tee, brand new phone
High heels on cobblestones
When you are young, they assume you know nothing
Sequined smile, black lipstick
Sensual politics
When you are young, they assume you know nothing

But I knew you
Dancin' in your Levi's
Drunk under the streetlight, I
I knew you
Hand under my sweatshirt
Baby, kiss it better, I
And when I felt like I was an old cardigan
Under someone's bed
You put me on and said I was your favourite

A friend to all is a friend to none
Chase two girls, lose the one
When you are young, they assume you know nothing

But I knew you
Playing hide-and-peek and
Giving me your weekends, I
I knew you
Your heartbeat on the high line
Once in 20 lifetimes, I
And when I felt like I was an old cardigan
Under someone's bed
You put me on and said I was your favourite

To kiss in cars, in downtown bars
Was all I needed
You drew stars around my scars
And now I'm bleedin'

'Cause I knew you
Steppin' on the last train
Marked me like a bloodstain, I
I knew you
Tried to change the ending
Peter losing Wendy, I
I knew you
Leavin' like a father, runnin' like water, I
When you are young, they assume you know nothing

But I knew you'd linger like a tattoo kiss
I knew you'd haunt all of my what-ifs
The smell of smoke would hang around this long
'Cause I knew everything when I was young
I knew I'd curse you for the longest time
Chasin' shadows in the grocery line
I knew you'd miss me once the thrill expired
And you'd be standin' in my front porch light

And I knew you'd come back to me
You'd come back to me

And you'd come back to me
And you'd come back

And when I felt like I was an old cardigan
Under someone's bed
You put me on and said I was your favourite
