

Love Won't Let Me Leave

Seafret

Searching for some kind of meaning
Answers I can believe in
Something now that you're not around
I know it's complicated
Someday I'll have to face it
But I don't think that I can do it now

I can't deny it, the harder I fight
The deeper it pulls me down
Stuck in the same place
I can't even see straight

Well you knock me off my feet
Yeah, you made a mess of me
But without you I just feel so incomplete
I can see that open road
But I just can't let you go
There's no air to breathe
It still brings me to my knees
Love won't let me leave

I've been walking the pavement
Lost track of the dates that I spent
Running circles around this town

I can't deny it, the harder I fight
The deeper it pulls me down
Stuck in the same place
I can't even see straight

Well you knock me off my feet
Yeah, you made a mess of me
But without you I just feel so incomplete
I can see that open road
But I just can't let you go
There's no air to breathe
It still brings me to my knees
Love won't let me leave

The road is long, the wait goes on for my love
I've had enough of packing up for somewhere new
Standing strong, where I belong for my love
I've had enough of packing up for somewhere new

Well you knock me off my feet
And you made a mess of me
But without you I just feel so incomplete
I can see that open road
But I just can't let you go
There's no air to breathe
It still brings me to my knees
Love won't let me leave
