

# Forever Blessed

Sean Kingston

So much stress pon me heart, oh why  
Dem nuh love fi see mi win no time  
But they can never take what's mine  
Forever Blessed thanks to the most high  
Even when it rains imma shine

Cause Lord knows I  
Been through the pain, but I keep my head high  
Forever Blessed til the end of time  
Nuff ah dem can't stop mi flow  
Mi nuh care what dem say or do yeah  
Yeah dem ah pray she me flop throw dirt pon mi name  
But ah God in control yeah yeah  
So dem can't take my shine, it's all in due time  
Late nights when the prayers fly everything gonna be alright  
Have hundred different flows so dem can't never pree me, no  
Depression all on my mind, can't even vibe no more  
What are we leaving for, made my feelings pour  
Dem no want mi pon di top, dem want me stuck pon di floor (Ohhh  
why)

So much stress pon me heart, oh why  
Dem nuh love fi see mi win no time  
But they can never take what's mine  
Forever Blessed thanks to the most high  
Even when it rains imma shine

Cause Lord knows I  
Been through the pain, but I keep my head high  
Forever Blessed til the end of time
