Wish i didn't kiss her  
Don't even miss her  
You da the one that i want back  
Your da the one that i want back

Believe i drink 4 drinks in me, yeah  
shawty doesn't know me while i'm getting tipsy  
she's so convincing showing how much she needs me, woah  
i'm imperfect so you know i whip, don't touch me  
wish i didn't kiss her  
i blame it on the liquor  
im just a rude boy, so i had to show her  
i'm still a winner, i know that i'ma sinner  
but i know i still love you

wish i didn't kiss her  
don't even miss her  
you da the one that i want back  
move fast forward, find another lover  
wish that i could rewind back

wish i didn't kiss her  
don't even miss her  
you da the one that i want back  
move fast forward, find another lover  
wish that i can rewind back  
rewind that  
rewind that  
love the way you rewind that  
rewind that  
rewind that  
wish that i can rewind back

everywhere i go rewind me of you  
in the club, in the car, in the bar, or the bedroom  
need a time machine just to get back to you,  
cause i know what i did, just ruined our future, yah

wish i didn't kiss her  
i blame it on the liquor  
im just a rude boy, so i had to show her  
i'm still a winner, i know that i'ma sinner  
but i know i still love you

wish i didn't kiss her  
don't even miss her  
you da the one that i want back  
move fast forward, find another lover  
wish that i could rewind back

wish i didn't kiss her  
don't even miss her  
you da the one that i want back  
move fast forward, find another lover  
wish that i can rewind back  
rewind that  
rewind that

love the way you rewind that  
rewind that  
rewind that  
wish that i can rewind back
