Girl, I
Love you, but girl I'm still fi try
Send me to voicemail, can't deny it
When I'm with you, I be thinking 'bout her
When I'm with you, I be thinking 'bout her
For the past two when I'm tryna lay up with you

Come and see me, ain't nobody else fi, no no
Come and see me, we can keep it pon di lu lu

I told you I love you forever
Come with me my girl, I'll protect you
And I won't let nobody come and hurt you
Hurt you, oh

Girl, I
Love you, but girl I'm still fi try
Send me to voicemail, can't deny it
When I'm with you, I be thinking 'bout her
When I'm with you, I be thinking 'bout her
For the past two when I'm tryna lay up with you

Come and see me, ain't nobody else fi, no no
Come and see me, we can keep it pon di lu lu

Can't recall my memory, yeah
Time wasted, that's energy spent
Girl, I can't breathe, you're all I need ya
On the highway girl, I'm speeding
Ask me the time [?]
See [?]

Oh, honey
Mama got the vibe, our vibe is OD
Can we have some time? Gyal put it on me, love
Caught me by surprise, you got me falling, oh

Girl, I
Love you, but girl I'm still fi try
Send me to voicemail, can't deny it
When I'm with you, I be thinking 'bout her
When I'm with you, I be thinking 'bout her
For the past two when I'm tryna lay up with you
[?] woo, woo
[?] woo, woo
Come and see me, ain't nobody else fi, no no
Come and see me, we can keep it pon di lu lu

I told you I love you forever
Come with me my girl, I'll protect you
And I won't let nobody come and hurt you
Hurt you, oh

Girl, I
Love you, but girl I'm still fi try
Send me to voicemail, can't deny it
When I'm with you, I be thinking 'bout her

When I'm with you, I be thinking 'bout her
For the past two when I'm tryna lay up with you
