

## Heart & Lun

Sean Lennon

Lately my heart and lung are aching  
Sometimes i feel that all that i have  
To survive

Maybe all that i know is changing  
Sometimes i feel that  
All you can do  
Is to try

Last night  
I had a dream an aeroplane  
Fell out of the sky  
Lately my memories are hazy  
I can't remember how the story ends  
Lately my heart and lung are aching  
Sometimes i feel that all that i need is a friend

Last night i had a dream an aeroplane  
Fell out of the sky

I have my doubt

[Instrumental break]

Last night i had a dream an aeroplane  
Fell out of the sky
