Back again et the trendt was me the great SP Alongside Tamicgirl...I all on you girl...anytime.... I all on you.... Anyplace Any gal weh want it it tell them come right now you know Cause we like when dem tell we say... Whatever you want boy you know what I got I givin you all of me Don be afraid boy, take me away...Ill give you a guarantee You won regret anything that you get.. I can be all you need It gettingso hot boy you hittin my spot..... I want you all on me So if you like it.....Come and get close youe invited I know that you cannot hide it.....You know that I want you all on me And if were grindin..we won be done till sunshinin' Tonight you gonna be mine...and....You know that I want you all on me Say gal you a request the strength outta me back yow... Everything me got yo True me style so versatile me give it to them a lot yow... Like the starts up inna the sky, so me have dem inna me flock yow.. Every woman a mine....a so me think from me a tot yow.. Wether them white or wether them black yow, wether dem slim or wether dem ph at yow.. Sean da Paul we deh ya we a sting and we a shock yow We have dem under lock down....Born to give dem a pat down....Bring it over here gal if your back round. Cause I'm searchin just to find a toppa top girl...and you lookin' fine I love that shape and that design...gimme your body anytime And I know you hea me clear girl you gotta know I got no fear And you know I will be prepared if you give me your body anywhere In the heat of the night now our bodies entwine You're all that I can feel I'm losin' my breath everytime that you get a little closer to me You touchin' me right and I'm holdin' you tight You're like a midnight dream Ready or not now I'll give what I got... If you give it all to me So if you like it.....Come and get close youe invited I know that you cannot hide it.....You know that I want you all on me And if were grindin..we won be done till sunshinin' Tonight you gonna be mine...and....You know that I want you all on me Well out of the midst of the dance girl follow we leading Cause we no ramp fi give them what them be needin' With them believin' we give them good seedin' From mornin' right back down to evenin' Wether the time or season, wether it warm or freezin' Girls say them waan the lovin' increasin' Gilrs dem we breedin' girls dem we pleasin' Girls inna di after party proceedings Cause I'm searchin just to find a toppa top girl...and you lookin' fine I love that shape and that design...gimme your body anytime

And I know you hea me clear girl you gotta know I got no fear And you know I will be prepared if you give me your body anywhere

So if you like it.....Come and get close youe invited I know that you cannot hide it.....You know that I want you all on me And if were grindin..we won be done till sunshinin'

Tonight you gonna be mine...and....You know that I want you all on me

Cmon now lets go...where nobody knows You and me alone...You and me together Wanna feel it in my soul...baby take control Love when you..ohh....make it last forever (2x)

So if you like it....Come and get close youe invited I know that you cannot hide it....You know that I want you all on me And if were grindin..we won be done till sunshinin' Tonight you gonna be mine...and....You know that I want you all on me
