Street me say the road code contagious
Straight fire wha we blaze, high grade's a must
Oh oh, girl get insane with us
Fly high to the sky, take plane with us
No shame cuz we livin' it dangerous
Hey! Cuz we livin' it dangerous

We're dancing on dangerous
Skipping on a wire
Dancing on dangerous
Fooling with the fire
Dancing on dangerous
Jumping on the ice
Dancing on dangerous
Never felt so right

All damn night I can see you see me gyal
And you know seh you inna my visual
A give me the most energy fi get physical
Want you want me, me want you too
Let me know how far you want to go
Push to the limit and let the riddim flow
Even though you feel danger, nuh let go
