

Danger Zone

Sean Paul

Danger
Wid bang bang bang bang
It's P longside Bugle
Live N Living and thanksgiving
Wooyee
Danger...
Wooyee...
Wid a bang bang
Wid a bang bang bang bang

Well out a di deeps ah di Slum this music come from
Man a man chat bout dem life and di street wisdom
Some a dem chat fi di money, some chat fi pum pum
Some a chat righteousness but dem a live by di gun
Well I man a hail from di Uptown grung
Wid a rebel lion heart and a quoting tongue
Melody King weh dem call me, di lyrics slum slum
Follow the bass and the drum get the full Spectrum
Now di youth chat bout party not fun
Man a di girls dem king dem days deh can't done
But a whole heap a sittin' a gwaan under the sun
Weh mi haffi chat bout?
There's a situation
Yow

(Poow!)

Buss a lyrical shat pon a system weh don't have it equal fi blacks and (Poow
!)

We haffi pull up we socks stop sell pill and rocks to di youths
That's facts (Poow)

Pon a vile pedifile weh put dem han' pon an innocent child
And John public weh a turn a blind eye
Pon di poor and di sick (Yow)

Oh my my my
This world s crazy we living in the danger zone
It's only Jah Jah alone can save we
Me want find me way back home
Oh di danger zone
Jah protect me now from evil things I known
Way back home all if mi trod alone
Want find di way outta di danger zone

We're living dangerously
Issa danger zone
Weh you call dunjan a my home
Anuh everything goes but any ting goes
Bare concrete deh yassuh
But mi issa Rose
Do di Maths simple means di black Rose grows
Wid one set a clothes
Our situation, like these keep mi pon mi toes
Sing bout real life a nuh nothing weh you see inna show
Music save mi life
Sean P watch eh pree
None a dem don't know bout we
Mi know a nuff man can relate to this
Cau di fight weh we fight anuh gun nor fist

(Poow!)

Buss a lyrical shat pon a system weh don't have it equal fi blacks
And (Poow!)

We haffi pull up we socks stop sell pill and rocks to di youths
That's facts (Poow)

Pon a vile pedifile weh put dem han' pon an innocent child
And John public weh a turn a blind eye
Pon di poor and di sick (Yow)

Oh my my my

This world s crazy we living in the danger zone
It's only Jah Jah alone can save we
Me want find me way back home
Oh di danger zone

Jah protect me now from evil things I known
Way back home all if mi trod alone
Want find di way outta di danger zone

Yow mi head get wild a while aguh
Weaponize dem rise wi wise a now
Danger zone dem design fi stifle us

An' a knife a knife a cut
Devil eyes prescribe fi divide di flock
Dem system poison us a lot
An' dem sizing up
Black skin come analize
Visualize di worl' through a criminal's eyes
I

Gun ova gyal
Dem nuh bada wid us
Calling [?] di system f up
Yaah hear mi?
Buss one inna dat

(Poow!)

Buss a lyrical shat pon a system weh don't have it equal fi blacks
And (Poow!)

We haffi pull up we socks stop sell pill and rocks to di youths
That's facts (Poow)

Pon a vile pedifile weh put dem han' pon an innocent child
And John public weh a turn a blind eye
Pon di poor and di sick (Yow)

Oh my my my

This world s crazy we living in the danger zone
It's only Jah Jah alone can save we
Me want find me way back home
Oh di danger zone

Jah protect me now from evil things I known
Way back home all if mi trod alone
Want find di way outta di danger zone
