

# Ginger

Sean Paul

Girl you got me wrapped around your finger  
Spicy like a ginger (ginger) - fire!  
Girl you got me wrapped around your finger  
Spicy like a ginger (ginger)

Ayyy  
Girl yu different and you're God sent  
Well excellent - gyal yuh magnificent  
Cause me love all yuh skin tone and all yuh skin scent  
Take yu to the residence where I'm the president  
Gyal I wah represent - give yuh this good love girl  
Yu done know I'm a keep my word  
Give yuh ting thing mek yuh fly like bird  
Straight up to the sky - no slide no swerve

Cuz I don't know bout your plans tonight  
But I want you feel alright - right away  
Baby girl lemme tell yuh dis  
Cuz you gotta let me treat you right  
Cuz you're just my type (you heard me!)

Budadbangbang bang

Girl you got me wrapped around your finger  
Spicy like a ginger (ginger)  
Girl you got me wrapped around your finger  
Spicy like a ginger (ginger)

Cause you got something different  
You got something different

You got something different (ginger)  
You got something different

You got something different

Bang bang bang!

Yow  
So turn off the lights, I'm a take you there  
Don't bring no drama, let down your hair (you see it)  
Lay down right here  
There's no competition  
No one compares  
Where would you rather be than right here?  
(Let's do it!)  
Than right here

Strong love  
Strong love  
Strong loving  
Strong love - I got you girl

Girl you got me wrapped around your finger  
Spicy like a ginger (ginger)

Spicy like a ginger (ginger)

Cause you got something different  
You got something different

You got something different  
You got something different

You got something different

Baby girl!
