

Gyalis Pro

Sean Paul

Hey, yo
Frass, a could a wha' this?
Alkaline, Sean Paul dem a gyalis (S.P.)
A the baddest (yeah, yeah)
Nuff girl deh 'pon we list (yeah, yeah, yeah, yeah)

Cross dem off like a tic-tac-toe, just like domino
Join dem all in a row, dem fi know
Say, man a pro (gyalis pro)
Man a gyalis dem fi know (gyalis pro)
Because seed haffi sow, youth haffi grow
Whole heap a hot gyal we get out a road
Man a pro (gyalis pro)
Man a gyalis dem fi know
Oh, they should know

Me goodly fuck it already and you nah know
How some man a say dem a gyalis and unno so
We gonna image the baddest, we got the dough
Have your baby mother lock down an' sweat an' a blow
Just lef' a show with a catty, me just a know
Seh she ready fi anything, weh me seh fi do
Weh me do? Gi' her the work, never know a fi you
Everybody get pussy, but everybody no pro, no
Any time a we touch street, a girl must cheat
Tear sheet within the first week
She dead already from the first speech
Louis V 'pon foot, her frien' a tell her seh, "a nuff fi it"
She gimme top inna the front seat
Tell me all she want from me is jus' a son and then she complete
Me mek she know she haffi compete
Bag a gyal a run down the Detta Boss and you done see it

The girl dem love we
Cyaan me d'even know a weh me do
No matter wha' gwaan, she nah leave
Wha' you expect me fi do?

Cross dem off like a tic-tac-toe
Just like domino
Join dem all in a row, dem fi know
Say, man a pro (gyalis pro)
Man a gyalis dem fi know (gyalis pro)
Because seed haffi sow, youth haffi grow
Whole heap a hot gyal we get out a road
Man a pro
Man a gyalis dem fi know
Oh, they should know

09:30, me go check on Angel-l-l-la
Me give her the passion and me give her the fire (yeah)
Never waan leave, but me did haffi check Cynthia
Becah me promised her fi gi' her the power
Whole heap a woman waan me stamina-na-na
And me nah drop off that grand-a-nah-na
Kimone, Suzette and all Donna-na-na
Dem a war fi the don-a-na-na

The girl dem love we
Cyaan me d'even know a weh me do
No matter wha' gwaan, she nah leave
Wha' you expect me fi do?

Cross dem off like a tic-tac-toe
