

## Head in the Zone

Sean Paul

yeah well everything nice you know  
pass two crate a Smirnoff Ice you know alright  
sean paul, inna di club, get crunk, blaze it up inna di club  
ladies willy bounce inna di club yo yo...

woman just get you head inna the zone  
get properly crunked and willie the bounce  
make a see you just throw dem bones  
gal move up you body make them see you're full grown

gal cause you hot so, you got the city lock so  
you body man attack so, them ask how you phat so  
nuff man a foreign a email and a fax you  
them well waan fi shocks you but you no inna dat yo  
you no see no other gal out there wey fi match you  
from time me spot you me eye can detach you  
soon time fi snatch you me ready fi go gotcha  
you a di toppa top so me champagne a pop so

woman just get you head inna the zone  
get properly crunked and willie the bounce  
make a see you just throw dem bones  
gal move up you body make them see you're full grown

Shake up you ass shake up you titi wild out  
man a blind when them see you do the ticky  
you a rebel fi di cause and you body thicky  
dance pon the floor make me see you anatomy  
gal wine..nuff man a dance like a cattle in a circle  
like dem waan take you fi a bottle but you fine  
gall just gwaan set you throttle..gwaan cause trouble with you bubble

woman just get you head inna the zone  
get properly crunked and willie the bounce  
make a see you just throw dem bones  
gal move up you body make them see you're full grown

move up you body cause you know you full grown  
man a watch you body and them waan take you home  
check them a check you fi the digits to your phone  
nuff a dem accident prone...so gal  
wine up you body cause you know you can lose  
any man out there wey you want you fi choose  
nuff a drink booze and them start to abuse  
tell dem dont get it confused

sean paul blaze it up, inna di club, get crunk, blaze it up inna di club
