Let It Talk To Me

Sean Paul

Let it talk to me (Baby girl)
Just slow it down, let your body speak (Speak)
I know that timin' is everythin' (Got me weak)
How long I got is infinity (You see it?)
Infinity
Let it talk to me
Just slow it down, let your body speak
I know that timin' is everythin' (Everythin')
How long I got is infinity, infinity

You got the vibe and I'm feelin' you, girl
Missin' my flight 'cause you show me di world
Your body be talkin', I love what I heard
If dis is the night den just give me di word
Give me the word, show me a sign
Tell me you ready and I'll make you mine
And what I'm sippin' on, dis ain't no lies
Real talk, girl, wen mi look inna yuh eyes
I can see you overanalyse everyting, girl
Cah yuh cyaan put yuh trust inna everyting
But it's a must cah yuh body keep flirtin'
Make di riddim juss keep on workin'
Baby girl (Dweet), I'm hurtin'
Cah yuh body juss keep on twerkin'
But yuh eyes keep lookin' and lurkin'
I got all di time in di world

Let it talk to me (Set it)
Just slow it down, let your body speak (Turn it up)
I know that timin' is everythin' (Let's do dis)
How long I got is infinity (Chuh), infinity

Let it talk, step, step
Baby girl, don't you worry nor fret
Let it talk, step, step
Look how long me and you fi connect
Let it talk, step, step (Yeah)
Shake it up, don't you worry nor fret
Let it talk, step, step (Yeah)
Look how long me and you fi connect

Hold on (Tight), baby girl
Cah mi love when yuh brace it back
Tell di DJ, "Turn it up max"
Blast it up, ain't no turnin' back (Ai)
So long
I got this love to give you one time
And, boy, you're movin' so fine
You got me losin' my mind

Let it talk to me (Ay)
Just slow it down, let your body speak (Right away)
I know that timin' is everythin' (No play, no play)
How long I got is infinity (Nah, it's true, yuh know me, gyal), infinity (Ha
)

Let it talk, step, step (Woo)

Baby girl, don't you worry nor fret
Let it talk, step, step (Let's do it)
Look how long me and you fi connect
Let it talk, step, step
Shake it up, don't you worry nor fret
Let it talk, step, step
Look how long me and you fi connect

Baby girl, don't you worry nor fret
Let it talk, step, step (Let's do it)
Look how long me and you fi connect
Let it talk, step, step
Shake it up, don't you worry nor fret
Let it talk, step, step
Look how long me and you fi connect
