

# Light My Fire

Sean Paul

One, two  
One, two, three

Set your body ablaze, your body ablaze  
Me and you, baby, set your body ablaze  
Set your body ablaze, your body ablaze  
Me and you, baby, set your body ablaze

Baby, won't you light my fire  
Can you take me higher?  
And when you're rubbin' on me  
You really spark my flame  
Baby, won't you light my fire

Ah mi say baby, mi say don't you worry, don't worry your brain  
Don't you fret, just listen, I'm sayin'  
Serious, mi serious, ah look inna mi face  
I'm tryna take you back to my place  
Slow whine, baby, just stick to my pace  
Rocksteady girl to di riddim and bass  
Come, baby girl, mi nuh have no time fi waste  
Don't wan run yuh down, don't wan chase

Baby, won't you light my fire  
Can you take me higher?  
And when you're rubbin' on me  
You really spark my flame  
Baby, won't you light my fire

Ha!

Mi ah be here long time ah day  
Ah come give me wah mi desire  
Beat it wid di wire, make me sing out like a choir  
Come here, Sean, come give me likkle light  
Spark it up cah mi need likkle fyah inna mi life  
Awful long time mi nuh get fi see yuh  
Panty wetta dan di waterway inna di Rio  
Take me high up like ah mi ah mi Jesus, ooh  
Come one, den two, den three up

Baby, won't you light my fire  
Can you take me higher?  
And when you're rubbin' on me  
You really spark my flame  
Baby, won't you light my fire

Budabangbangbangbang  
Let mi tell yuh what a piece ah art this ah weh di fyah God king  
When di neighbor get vexed and get up ah knocking  
When bed board is knocking and gyal back is cracking  
Steady, we're putting it down and we keep it tracking  
And baby girl knowing that nothing ain't lacking  
Brand spanking new machine keep going  
Listen to me, DJ, listen to me sing  
Sean de Paul from di heart, girl, ah keep talking

Dem, d-dem nuh know a good love, girl  
Yo, dem, d-dem nuh know a good love, girl (Baby girl)  
Dem, d-dem nuh know a good love, girl  
Yo, dem, d-dem nuh know a good love, girl

Baby, won't you light my fire  
Can you take me higher?  
And when you're rubbin' on me  
You really spark my flame  
Baby, won't you light my fire

(Rub-a-dub-a-dub, girl)

Won't you light my fire now?  
Won't you light my fire?  
Won't you light my fire now?

Yo, when di bed board is knocking and di neighbors knocking  
And dey keep on cracking
