Me know me nah follow back a dem bomboclat
Me see it every time and pree it every time
Dem type of friend, we delete every time
I know me nah follow back a dem bomboclat
Me know me nah follow back a dem bomboclat

Look how me treat dem, just like a brother
Straight from the heart the real lion order
Real genuine love me show dem me heart
Dem draw me out merciful father
Wid dem bagga trick basket fi carry water
And a back a life fi tie me like slaughter
Cloud dem a look, dem a just some shit talker
Me prefer fi tell dem fi suck dem madda!

Becau' me see it every time 'pon repeat every time
Dem greet wid a smile but dem don't genuine
I know me nah follow back a dem bomboclat
Me know me nah follow back a dem bomboclat
Me see it every time and pree it every time
Dem type of friend, we delete every time
I know me nah follow back a dem bomboclat
Me know me nah follow back a dem bomboclat

War on your mouth, come out make fi chat
On the field, man a scout without go check facts
Lucky dem lucky, me head no tree
At SBT dem me flip up and a kick up on a box
Once the avalanche start, fi carry check
Cool off like ice off in a defuse box
So next time you see me, me no bother see me take stock
But don't tell yourself fi dress back

Becau' me see it every time 'pon repeat every time
Dem greet wid a smile but dem don't genuine
I know me nah follow back a dem bomboclat
Me know me nah follow back a dem bomboclat
Me see it every time and pree it every time
Dem type of friend, we delete every time
I know me nah follow back a dem bomboclat
Me know me nah follow back a dem bomboclat

Same so me see it
