Spz ...yo yo ...fi d gyul dem Say when you ready girl When time you want it come get it Let let me set it girl Take care ah you like ah medic Cah when you press it up See the way you wiggle it girl You mek mi stress it out So mi cannot wait to caress it When when you press it up Say the way you moving it girl I cannot get enough When yuh feel mi push it ...puh press it up Baby, let mi see yuh juss move that body cah yuh do this everyday We do this everyday (everyday) Let mi see you get crazy Gyul doh hold back nuttin just keep it stong cah you doh play My girl cah we doh play (we doh play) Say when the riddim ah bounce gyul yuh keep perfect time And you ah mash up my mind When you wine, when you wine Gyul yuh body keep looking so fine And yuh doh stop run through my mind So mi wah come press it pon yurs, so you can press it up on mine. Cah when you press it up See the way you wiggle it girl You mek mi stress it out So mi cannot wait to caress it When when you press it up Say the way you moving it girl I cannot get enough When yuh feel mi push it ...puh press it up Press it up See the way you wiggle it girl You mek mi stress it out So mi cannot wait to caress it When when you press it up Say the way you moving it girl I cannot get enough When yuh feel mi push it \ldots puh press it up Girl watch yuh hold up And yuh stand up and pose up When I wuh feel it, press it close up (press) Come press it close up Gyul yuh get man pose up Wanna take you home, get you inna d zone and give you the most love Give you the most love (most love) Listen me girl if yuh hear wut mi say Gyul you fi wine pon d head

Like you deh inna mi bed

Den gyul if you accept the leg

And no bother worry no fret

I'm gonna give you this thing girl that you will never regret

Cah when you press it up See the way you wiggle it girl You mek mi stress it out So mi cannot wait to caress it When when you press it up Say the way you moving it girl I cannot get enough When yuh feel mi push it ...puh press it up Press it up See the way you wiggle it girl You mek mi stress it out So mi cannot wait to caress it When when you press it up Say the way you moving it girl I cannot get enough When yuh feel mi push it ...puh press it up

Sp say biggin' up the girls dem dat fat sexy dat who shoulda know Say d gyul dem round and sexy

Dem who love say line up inna row

First class girl get mi pass

When dem ah shake dem ass an take it low

This is dancehall music baby

Riddim hit ah bounce and shake that below

Say when you ready girl

When time you want it come get it

Leh let me set it girl

Take care ah you like ah medic

When you ready girl
When time you want it come get it
Let let me set it girl
Take care ah you like ah medic (2x)

Cah when you press it up See the way you wiggle it girl You mek mi stress it out So mi cannot wait to caress it When when you press it up Say the way you moving it girl I cannot get enough When yuh feel mi push it ...puh press it up Press it up See the way you wiggle it girl You mek mi stress it out So mi cannot wait to caress it When when you press it up Say the way you moving it girl I cannot get enough When yuh feel mi push it ...puh press it up
