Yup, yup, yup
Yup, yup, yup
Yup, yup, yup
Mhmmm

Out with the old, let the new begin
Illest motherfucker that's my pseudonym
Been to many places only few have been
See mi little son look like a future king
And you a puff up your chicken chest and a grudge the lions over chicken breast
But chickens just be dressed in their best of threads
So they can testify they witness excellence
And dubbing like a newly wed, some fat sexy gal a shampoo me dread
And when them wake up them need a sudafed
Some little silly chickens think I'm new to bed, but not me
Gal a pull up mi polka dot
Woman a ignite like when sulphur hot
Love your body bad I'm talking bulk of fat
Some one a play sir Lancelot, but not me

Roll your blunts up get your smoke on
Throw your cups up
Schedule, so we run di program girl
A so we do it, so we do it everyday
A so we do it, so we do it everyday
Tell di gal dem say nothing don't change
So we do it the jamaican way

Baby girl just don't play hhhhm
Ride the thing like the segway hhhhm
When you shake like earthquake
Mi cum last like Latty double the first like do-ray
Diamonds them don't fake, icy like snowflakes (Chi Ching Ching)
Now me inna Versace
Man sharp an feeling classy

Roll your blunts up get your smoke on
Throw your cups up

Woman a catch whooping cough
And a wonder and a ponder if me soon kick off
You think you come inna me room fi laugh
My geometry it's mapping all your beauty marks (mhm)
Now baby do the maths
You better try to catch up on your beauty naps
Recently you be looking like you soon collapse
So my females if you with me where my troopers at?
Drama no tense, just study military defense
Deh pon ah ends mi Guinness inna Supligen
Watch some little gold diggers who edge up in a mi fence
So to really let them have it is my only defense

So girl me and your body is the best of friends
I'm a old scholar what's coming baby no pretense
I'm creating a tsunami and the place is tense
Beauty is in the eye of the beholder's lens

Roll your blunts up get your smoke on
Throw your cups up
