

She Call Me

Sean Paul

Waan, she waan, she waan me
Waan, she waan, she waan me
S. to the P.
Waan, she waan, she waan me
Give her the loving endlessly
Bidi bang, bang, bang

She call me
In times she need a break, she want her body levitate
She call me
When time she need a friend
Me give her the strength and the bend
She call me
In time nine o' clock come, her man gon' a work
She waan me lock dung
She shake it and twerk, she wheel it and turn
She call me top gun
She call me

Hmm, gyal ready fi the rebel
Say she waan work 'pon a new kind of level
Cah the boy weh she got mek her feel miserable
Never turn on the fire fi the kettle start pebble
Never turn it on, so it is inevitable
Say she a go waan something more incredible
Turn up the base and turn up the treble
Quarter past eleven

She call me
In times she need a break, she want her body levitate
She call me
When time she need a friend
Me give her the strength and the bend
She call me
In time nine o' clock come, her man gon' a work
She waan me lock dung
She shake it and twerk, she wheel it and turn
She call me top gun
She call me

Ah, and she a hotter than pepper
Say she waan the bredda come rough
Waan slap 'pon the leather, waan drop 'pon the
But the money maker get fed up
Waan, she waan, she waan man fi mek she get wetter
Send the picture, mek me start get up
Instantly me day get better, inna any weather

She call me
In times she need a break, she want her body levitate
She call me
When time she need a friend
Me give her the strength and the bend
She call me
In time nine o' clock come, her man gon' a work
She waan me lock dung
She shake it and twerk, she wheel it and turn

She call me top gun
She call me

Waan, she waan, she waan me
Waan, she waan, she waan me
S. to the P.
Waan, she waan, she waan me
Give her the loving endlessly
Bidi bang, bang, bang

She call me
In times she need a break, she want her body levitate
