

## So Fine

Sean Paul

Girl, girl, I'll be your sunshine, you can be mine  
You'll be my wind chime, I've got the rhyme  
We'll have a good time, make up your mind  
Roll with me girl, you're so fine

Girl, just let me be there for you anytime  
You're so fine, for you I'd join the longest line  
You're so fine, my girl, broke out and wine  
Mash up me brain, you a mash up man mind  
Real bad, man, a that's where dem nine  
I'll be your sunshine

My girl, just let me be there for you anytime  
You're so fine, for you I'd join the longest line  
You're so fine, my girl, broke out and wine  
Mash up me brain, you a mash up man mind  
Real bad, man, a that's where dem nine  
I'll be your sunshine

This time, my girl, if you want just call me  
Anytime my love lifestyle get corny  
We keep it seam up n' stormy  
Me and you team up and build an army

'Cause my love, out the shape of your body  
And me know, say you want come party  
If you know say a you a mi target  
Girl, I'll be that doggy, doggy

Sexy chicks that are my prerequisite  
Hot girls gotta be my darlin'  
Get wit it my beat if you set wit it  
All girls gotta heed my callin'

From Kingston up to New Orleans  
New Jersey rite back to Spaldin  
You fi know this bwoy ain't stallin'  
We put it all in

Just let me be there for you anytime  
It's so fine, for you I'd join the longest line  
It's so fine, my girl, broke out and wine  
Mash up me brain, you a mash up man mind  
Real bad, man, a that's where dem nine  
I'll be your sunshine

My girl, just let me be there for you anytime  
It's so fine, for you I'd join the longest line  
It's so fine, my girl, broke out and wine  
Mash up me brain, you a mash up man mind  
Real bad, man, a that's where dem nine  
I'll be your sunshine

Listen my voice, listen my vocal  
Lock off your phone, tell your man, don't call  
I'm gonna give you this love total  
Medical and it's antidotal, oh yeah

'Cause we a the top pro gyal  
International or local  
Your man don't got it like me, none at all  
'Cause your man don't firm and you man don't tall

I'm a broke out the diamond and the opal  
I'm a try buy love but now the love stall  
Look like I'm don't have no hope at all  
I'm nah come good with the approach at all

Hang 'em up like picture in na photo hall  
Every man gwaan buy new protocol  
S P, a di man you fi call  
I won't fall

Let me be there for you anytime  
It's so fine, for you I'd join the longest line  
It's so fine, my girl, broke out and wine  
Mash up me brain, you a mash up man mind  
Real bad, man, a that's where dem nine  
I'll be your sunshine

My girl, just let me be there for you anytime  
It's so fine, for you I'd join the longest line  
It's so fine, my girl, broke out and wine  
Mash up me brain, you a mash up man mind  
Real bad, man, a that's where dem nine  
I'll be your sunshine

I'll be your sunshine, you can be mine  
You'll be my wind chime, I've got the rhyme  
We'll have a good time, make up your mind  
Roll with me girl, you're so fine

Girl, just let me be there for you anytime  
You're so fine, for you I'd join the longest line  
You're so fine, my girl, broke out and wine  
Mash up me brain, you a mash up man mind  
Real bad, man, a that's where dem nine  
I'll be your sunshine

It's time, just let me be there for you anytime  
You're so fine, for you I'd join the longest line
