

Space Ship

Sean Paul

Push it to the furthest then take it to the limit
Woo, Yow yow
Push it to the further then
Take it to the limit
Woo
Rude boy thing now

So me love it when you hitch on pon it
Baby girl me love it when you dip on pon it
The sitten get stiff under it can't wait till the fork lift shift under it
How it get slipple under it
Thing wet up and sweat up and gal a panic
Me done sip the roots and tonic
So she haffi feel the pressure all night under it

Hop on pon me space ship girl
Set it make me take it to whole another world
Come on let's face it girl
Me love it when you shake it twist it and turn
Hop on pon me space ship girl
Set it make me take it to a whole another world
Come on let's face it girl
Me love it when you shake it twist it and turn

Now tell who say them want hackle me body
Hackle me body, hackle me body
Now tell me who say them want hackle me body
(Check onpon me space ship)
Now tell me who say them want hackle me body
Hackle me body, Hackle me body
Now tell me who say them want hackle me body
(Check on pon this, rude boy thing now)

Me under a big spliff girl
Wait till you feel all me big stiff girl... trouble
You full a mischief girl
Come here you a me next miss world
Bubble, me gi you necklace weh pearl
Goggle, you eat the nuts like a squirrel
Double, you is a bad bad girl
Put it in you mouth... biscuit shirl

Hop on pon me space ship girl
Set it make me take it to whole another world
Come on let's face it girl
Me love it when you shake it twist it and turn
Hop on pon me space ship girl
Set it make me take it to a whole another world
Come on let's face it girl
Me love it when you shake it twist it and turn

Now tell who say them want hackle me body
(Check on pon me space ship)
Now tell me who say them want hackle me body
(Check on pon me space ship)
Now tell me who say them want hackle me body
(Check on pon me space ship)

Now tell me who say them want hackle me body
(Rude boy thing now)

Push it to the furthest then take it to the limit
Loving how your body keep bracing gal... bring it
Stallion style like blazing infinite
No other man can fake it or mimic
Some a them can't even take it to a minute
Some a them flop your space them can't fill it
Say them a hard core lover them want drill it
But them never ever will take it or win it

Sadatay on tippy tie mr long fella fi she sippy tie
When she do the thing she gimme crooked eye
She slurp slurpy till the juice fly
She say me cruel I'm a witty guy
Dangerous dude me no pity why
One touch me touch make the kitty fly
Dutty we dutty left gal a cry

Hop on pon me space ship girl
Set it make me take it to whole another world
Come on let's face it girl
Me love it when you shake it twist it and turn
Hop on pon me space ship girl
Set it make me take it to a whole another world
Come on let's face it girl
Me love it when you shake it twist it and turn
