Yow Yow yow
One Time
She got one thing that's on her mind (Top Celebrity)
Because she is a pimpa's paradise
Top celebrity, that she love fi see
Wid a bang bang

She love top celebrity, top, top celebrity
She love live the life and love get deleverage
Top celebrity, top, top celebrity
She love wuk the work and get the amenities
Top celebrity is that she love fi see
She love party life Champagne and the Hennessy
Top celebrity nonstop the energy
Can't keep calm when she listen to my melodies

So me tell you say she love 'par with the star
So me tell you say she love love the cars
Designer, top of that and come up nothing not stopping her
Get the bag, get the bag, get the bag
Big man she go for, she no want little head
She a top man head fi the summer
Bank account done her, this girl is stunner

She got one thing that's on her mind (on her mind!)

She want money man to be with her all the time

Alright then, she don't play them clothes with silver line

She want gold and diamonds now refuse the blind

Cause she want a top celebrity, top, top celebrity
She love live the life and love get deleverage
Top celebrity, top, top celebrity
She love wuk the work and get the amenities
Top celebrity is that she love fi see
She love party life Champagne and the Hennessy
Top celebrity nonstop the energy
Can't keep calm when she listen to my melodies

Many things, many things, many Kings
Many diamond rings right upon bling
Keep the freshness coming
The way she have some of them like dummies
She a pimpa's paradise, ain't nothing ain't funny
She got to work, got to make that money
Like a central full play boy bunny

She got one thing thats on her mind (get the bag, get the bag) She want money man to be with her all the time Alright then, she don't play them clothes with silver line She want gold and diamonds now refuse the blind

Cause she want a top celebrity, top, top celebrity She love live the life and love get deleverage Top celebrity, top, top celebrity She love wuk the work and get the amenities Top celebrity is that she love fi see She love party life Champagne and the Hennessy Top celebrity nonstop the energy Can't keep calm when she listen to my melodies
