

4 Wheel High

Sean Stemaly

Z71 covered in mud spit cup long cut in the console
Camo hat on the dash hammered down on the gas
Chrome stacks blowing that black smoke

There's a party where the creek bends
If you wanna go you gotta kick it in

4 wheel high
Ridin' Nitto 35s
30 rack of Busch Light
Buck Knife cut it open shotgun it hell right

Pourin' gas on the fire
Let em' know that we're out here in the middle of nowhere
Gettin' 4 wheel high

Off of that name road
Till we hear that rooster crow
Spending all damn night just gettin'
4 wheel high
4 wheel high

She's on a tailgate Tito's sippin'
Tank top summer skin breakin' in what's left of them wranglers
I said, you wanna take a ride?
Turns out she likes it in

4 wheel high
Ridin' Nitto 35s
30 rack of Busch Light
Buck Knife cut it open shotgun it hell right

Pourin' gas on the fire
Let em' know that we're out here in the middle of nowhere
Gettin' 4 wheel high

Off of that name road
Till we hear that rooster crow
Spending all damn night just gettin'
4 wheel high
4 wheel high

Just another small town night
Livin' and lovin' this life in

4 wheel high
Ridin' Nitto 35s
30 rack of Busch Light
Buck Knife cut it open shotgun it hell right

Pourin' gas on the fire
Let em' know that we're out here in the middle of nowhere
Gettin' 4 wheel high

Off of that name road
Till we hear that rooster crow
Spending all damn night just gettin'

4 wheel high
4 wheel high

4 wheel high
4 wheel high
Ohhhh ohhhh
4 wheel high
