

# Husbands and Wives

Sean Stemaly

Two broken hearts, lonely, lookin' like houses  
Where nobody lives  
Two people each havin' so much pride inside  
Neither side forgives

The angry words spoken in haste  
Such a waste of two lives  
It's my belief pride is the chief cause in the decline  
In the number of husbands and wives

A woman and a man, a man and a woman  
Some can, some can't, and some can't

Two broken hearts lonely lookin' like houses  
Where nobody lives  
Two people each havin' so much pride inside  
Neither side forgives

The angry words spoken in haste  
Such a waste of two lives  
Oh, it's my belief pride is the chief cause in the decline  
In the number of husbands and wives

Yeah, it's my belief pride is the chief cause in the decline  
In the number of husbands and wives
