

Crybaby

Searows

Is it just like me
To say this?
Just what you'd expect
From the latest
Version
If I knew what it was I would tell you
If the door wasn't shut
I'd let you in

Take your sweet time
I'll give you all of mine
Take what I can get
And let you have the rest
What do I do here?
What do I do?
Am I
Too sad to be here?
Am I
Too sad to be alive?
I don't wanna be
I try
But I wanna stay alive
I do, I do, I do
At least I try to
Want to

Do you have a place for me
Do I have to become smaller
Would you see me differently
If I made myself taller instead?

How come?
Cause she can't speak
How come?
Cause he [?] afraid?

I'm not scared
I'm not scared
I'm not scared
