

# Only Time

Searows

Hold it all  
For the last time  
Watch it fall away, fall away

Where did all  
Of our time go  
Watch it as the minutes  
Slip away

Am I asking too much?  
I know that it's useless  
But can I ask anyway?

If I had any longer, held on any tighter  
But I know you couldn't stay  
So goodbye is all I'll say

All the days gone by  
All the good I find  
They can never take from me

When the morning comes  
Hold it as it fades  
As the days slip away from me

Just as the sunlight is to the night sky  
Across the skyline  
It's only moonlight  
It's only goodbye  
It's only time  
It's only time
