

A Company

Seasick Mama

Rolling over bodies trying to clear my mind.
I can't live forever being perfect all the time.

So now is my turn.
With the gas to burn,
I'm gonna play my cards.
So now is my chance.
In this odd romance,
I'm gonna have some fun.

Oh, oh, oh
It's a dark night for company.
Oh, oh, oh
I want them both home with me.

Who do I love more? Who do I want less?
What will make my heart confess?
Who do I love more? Who do I want less?
Whose gonna rock my shit the best?
Who do I love more? Who do I want less?
... Fill the hole inside my chest?

Straight from heartache nothing's funny,
But I laugh anyways,
Like a wild beast with the scent of meat
Trying to claim my prize.

So now is my turn.
With the gas to burn,
I'm gonna play my cards.
So now is my chance.
In this odd romance,
I'm gonna have some fun.

Oh, oh, oh
It's a dark night for company.
Oh, oh, oh
I want them both home with me.
