

Bring It On

Seasick Steve

You gon' talk, pretty thing
Talk my heart to to say
Did you read this melody
If this what love can bring

Bring it on
Oh bring it on, baby
Bring it on
Bring it on

I ain't goin' on 'bout your lovin'
But about that, I got to say
You were the body, you were the best
I got religion that day

So bring it on
Bring it on, pretty darlin'
Bring it on
Bring it on

Let's talk about it now

Alright!
Oh good God, almighty
Oh lord
Oh, bring it on

Well I ain't goin' on 'bout your lovin'
But about that, I got to say
It was the finest, it was the best
I got religion that day

Bring it on
Yeah, bring it on, pretty momma
Bring it on
Bring it on

Woah, bring it on
Yeah, bring it on
Oh, bring it on
Bring it on

Bring it on, darlin'
Bring it on sweet girl
Bring it on
