

Bullseye

Seasick Steve

Well I was down the street, wonder what happened to me
Well I never saw it comin' but it sure did, come on me
Who put that bullseye, who put that bullseye on me
Who put that bullseye, who put that bullseye on me

Well maybe it's, time I been thinkin' 'bout leavin' this town
Too many people seein' too much of me around
I can take a hint y'all, I can take a hint you see
I can take a hint y'all, I can take a hint you see

But don't you think it's time you take your b-b-b-b-
bullseye off me
Mercy
Yeah don't you think it's time you take your b-b-b-b-
bullseye off me

Now I'm a lover not a fighter but, Lord have mercy I can fight
So don't you ever put me in a corner, that's too tight
I'll be headin' out of here, to a place they call free
I'll be headin' out of here so, don't you try to stop me

And don't you think it's time you take your b-b-b-b-
bullseye off me
Yeah don't you think it's time you take your b-b-b-b-
bullseye off me

Off of me
Take your bullseye
If you please
Off of me
Take your bullseye
Take that bullseye
Bullseye
