

Fly by Night

Seasick Steve

I wanna be with you girl
I'm still gonna be here in the morning right
I wanna bide with you girl
I'm still gonna be here here in the morning standing right

Ain't no fly by night
Ain't no fly by night
Ain't no... Ain't no fly by night

I see you're a little gun shy girl
I believe you've been hurt, am I right?
I guess you're a little gun shy girl
I just wanna treat you right

Ain't no fly by night
Ain't no fly by night
Ain't no... Ain't no fly by night

Ain't no fly by night
Ain't no fly by night
Ain't no... Ain't no fly by night
