

Freedom Road

Seasick Steve

Ah well I'm on my own
And it ain't so bad
I'm goin' down that highway
I'm gonna lose my sad
He been followin' me
Eleven months or more
Well I paid my debt
They finally let me out the door

That's what I'm talkin' about

Ah well I'm walkin' free
Go where I wanna go
Some of you might understand me
If you been there before
Freedom just so fine
But we take it for granted
But when you done a little time
You be glad to have it

I walk the freedom road [x4]

You don't need to do wrong
To know what I mean
Now you've heard my song
I believe you've seen
Freedom just so fine
So don't take it for granted
You don't need to do time
To be glad you have it

We walk the freedom road
We walk the freedom road
We love that freedom road
We walk the freedom

I walk the freedom road
I walk the freedom road
I walk the freedom road
Down the road I go
Down the freedom road

I walk the freedom road
Down the road I go
Down the freedom road
