Keep On Keepin' On

Seasick Steve

The Thing I'm tryin' to do
The thing I believe in y'all
It's a struggle every day
But I'm gonna keep on
Keep on keepin' on
Tryin' to make stand
In this world all my life
Never gonna stop fightin' that fight
And at least they can say
When I'm dead and gone
He never gaved up
He keeped on keepin' on

Hey, hey, hey, hey
It's righteous
Hey, hey, hey, hey

Hey, hey, hey, hey
So standard
Hey, hey, hey, hey

It's hard to be different
In this world of clones
But I feel this music
Down in my bown
If the radio don't like it
I can live with that
I got my true fans
And that's a fact
At least they can say
When I'm dead and gone
He never gaved up
He keeped on keepin' on

Hey, hey, hey, hey
It's righteous
Hey, hey, hey, hey
Keep on keepin' on

Hey, hey, hey, hey
So standard
Hey, hey, hey, hey
Keep on keepin' on

Keep on [x4]

It might not mean much right now
But in the end it's the only thing
That matters somehow
So wave your flag
Keep your head up high
Now's your time
To do or die
And if they say no
You say why
Don't let your life
Pass you by

```
At least they can say
When you're dead and gone
You never gaved up
You keeped on keepin' on

Hey, hey, hey, hey
It's righteous
Hey, hey, hey, hey
Keep on keepin' on

Hey, hey, hey, hey
So standard
Hey, hey, hey, hey
Keep on keepin' on

Keep on [x15]
Keep on keepin' on [x4]
```
