

Lay

Seasick Steve

I ain't got no life without you
You breathe in, I breathe out, that's what we do
Sometimes I don't know whose skin is whose
We'll be layin' there is the love [?] through

Lay there
Lay

It's frightenin' how close two can be
They said it's all about trust you see
Well I'll trust you to guard this heart
I'll trust you to stay with me

Stay with me
Stay with me

The road can go to hell in a handbasket
Well this one love was all I've ever asked of you
And even though we're to end in it
I know just where I wanna lay

Besides you, lay
Besides you, lay

The road can go to hell in a handbasket
Well this one love was all I've ever asked of you
And even though we're to end in it
I know just where I'm gonna lay

Besides you, lay
Besides you, lay
