

Maybe I Might

Seasick Steve

I've been ramblin', all my life
Don't know if it's wrong or if it's right
For the ones, gettin' left behind
I'd like to ask them, maybe I might

It ain't somethin', that I chose
The road picks you and you know
There's a price, that you got to pay
That's how it goes, that's how it goes

I learned to travel, very light
But my heart could get so heavy in the night
That sometimes, I just wanna pack it in
Maybe I might

And I hear, that familiar call
Now it's time to go and that is all
There is to say, except
Are you goin' my way, goin' my way

I'd like to ask everybody
Do you think it's wrong, think it's right
Maybe some day, maybe I might

Well, so long, and farewell
Maybe we'll meet again, who could tell
So I just say, down the road
And I wish you well, I wish you well

I'd like to ask everybody
Do you think it's wrong, think it's right
Maybe some day, maybe I might

I'd like to ask everybody
Do you think it's wrong, think it's right
Maybe some day, maybe I might
Maybe some day, maybe I might

I've been ramblin', all my life
I've been ramblin'
I've been ramblin'
