

One True

Seasick Steve

Whoa, I miss my dog, yes I...

He were the friend of mine
Everyday for him and me just fine
In the morn' he ready to go
It didn't really matter just out the door

He was, yeah surely he was
Well, he was, mmm

I wish I could find a friend like him
Faithful like a dog until the end
They don't make many people like that
I'd surely like to meet one, and that's a fact

He was, my one true
Yeah, that were my one true
My one true

We just been takin' a walk, kinda like this
That what we been doin'
That what we been doin'

I wish I could find a friend like him
Faithful like a dog until the end
They don't make many people like that
I'd surely like to meet one, and that's a fact

He was, my one true
Yeah, that were my one true
My one true

F-f-f-f-friend

Yeah, that were my one true
Yeah, that were my one true
Yeah, that were my one true

Alright

He was my one true friend
He was my one true friend

Yeah, now my boy
Yeah, he was my one true friend
