

Regular Man

Seasick Steve

I got plenty of money now
But it ain't always been that way
I never forget where I come from
That ain't just something I say
Been down in the dumps, y' all
Yeah, most of my life
Bottom line is... just happy to be alive

Yeah a regular man, I'm a regular man
Well I'm a regular man and this shit ain't no lie
Yeah a regular man, ooh a regular man
Yeah a regular man till the day I die!

For years I swung a hammer, took in them bins
Did most any kind of job, tryin' to raise my kids
But now they're gone and on their own
And I'm just sitting here playin' for y' all I believe I've shown

I'm a regular man, yeah I'm a regular man
I'm a regular man, so down home
I'm a regular man, I'm a regular man
Yeah I'm a regular man, mean to the bone!

Yeah I'm a regular man, oh I'm a regular man
Yeah I'm a regular man

I ain't gonna let this fame I found turn my head around
I'm still the same ol' boy, got my feet on the ground
Been down in the dumps y'all, yeah most of my life
Bottom line is, just happy to be alive

Yeah I'm a regular man, oh I'm a regular man
Yeah I'm a regular man and this shit ain't no lie

Yeah I'm a regular man, oh I'm a regular man
Yeah I'm a regular man till the day I die

Yeah I'm a regular man, oh I'm a regular man
I'm a regular man and this shit ain't no lie

Yeah I'm a regular man, oh I'm a regular man
Oh I'm a regular man until the day I die
The day I die
