

## Rooster Blues

Seasick Steve

The rooster crowed in the morning, ain't it got nothin' better to do?

The rooster crowed in the morning, ain't it got nothin' better to do?

Don't he know I been up all night makin' sweet love to you?

She rocked me so hard, she nearly rocked me out of bed

She rocked me so hard, pretty baby, she nearly rocked me out of bed

If that rooster don't shut it he, he gonna wind up dead

Hey, mr. Cock-a-doodle-doo, you better watch what you do

Hey, mr. Cock-a-doodle-doo, you better watch what you do

If I don't get my beauty sleep, somethin' bad gonna happen to you

That rooster don't shut it he, he gonna wind up dead

You talk the talk, but do you walk the walk?
