

# Shipwreck Love

Seasick Steve

Don't turn away, 'cause I love ya, love ya  
Don't run away, they're just shadows around you  
And I'm a safe harbor, for secrets  
I'm a safe harbor

There's a burnin' fire, behind your eyes, behind  
What's your desire, believe you'll tell me in time  
'Cause I'm a safe harbor, for shipwreck  
I'm a safe harbor

A shipwreck love, watch them rocks  
Beating shores, breaker of souls  
I'll be your pilot, try to guide you to  
A safe harbor, for me and you  
A shipwreck love, watch them rocks  
Beating shores, breaker of souls  
I'll be your pilot, try to guide you to  
A safe harbor, for me and you

A safe harbor

The ash-filled tears, but my heart cries  
But have no fear, this love will survive  
'Cause I'm a safe harbor, for a shipwreck heart  
I'm a safe harbor

A shipwreck love, watch them rocks  
Beating shores, breaker of souls  
I'll be your pilot, try to guide you to  
A safe harbor, for me and you  
A shipwreck love, watch them rocks  
Beating shores, breaker of souls  
I'll be your pilot, try to guide you to  
A safe harbor, for me and you

A shipwreck love, watch them rocks  
Beating shores, breaker of souls  
I'll be your pilot, try to guide you to  
A safe harbor, for me and you

A safe harbor, for me and you  
A safe harbor, for me and you  
A safe harbor  
A safe harbor  
A safe harbor
