

Toes in the Mud

Seasick Steve

What I'm talking about
Thing to make me move my feet
Just a little get down
Goin' take it to the street

Got toes in the mud
It's where I ride, y'all
Got toes in the mud
Check this out y'all

Chug a lugga lugga
Chug a lugga lugga
Chug a lugga lugga
Chug a lugga lugga

It's a tough old world
Hard to find a little fun
It's a tough old world
Sure got us on the run

Try toes in the mud
It's where I ride, y'all
Try toes in the mud
Check the tide y'all

Chug a lugga lugga
Chug a lugga lugga
Chug a lugga lugga
Chug a lugga lugga

Got toes in the mud
Toes in the mud
Got toes in the mud
Toes in the mud

Time to say goodbye
That's all she wrote
Time to say so long
Hope y'all took note

Five toes in the mud
It's where I ride, y'all
Got toes in the mud
Check this out y'all

Chug a lugga lugga
Chug a lugga lugga
Chug a lugga lugga
Chug a lugga lugga

Got toes in the mud, toes in the mud
Got toes in the mud, toes in the mud
Yeah toes in the mud, toes in the mud
Yeah toes in the mud, toes in the mud toes

Yeah get your toes in the mud!
