

Blur

Seaway

Where are my clothes? Where are my shoes?
It's all a blur in the morning
I medicate, I'm missing you
It's all a blur in the morning

Good friends, bad jokes, and bad tattoos
It's all a blur in the morning
I lose control, I'm missing you
It's all a blur in the morning

Is the party over? Where's my head?
Out of touch with who I've been
A thousand miles away from you
Is this just bad luck
Or is the party over? Where's my head?
Out of touch with who I've been
A thousand miles away from you
Is this just bad luck
Or is the party over?

Where is my phone? Did I miss you?
It's all a blur in the morning
Thought I saw your face when I came to
It's all a blur in the morning

How do we cope?
It's all a blur in the morning
How did we choke?
It's all a blur in the morning

Is the party over? Where's my head?
Out of touch with who I've been
A thousand miles away from you
Is this just bad luck
Or is the party over? Where's my head?
Out of touch with who I've been
A thousand miles away from you
Is this just bad luck
Or is the party over?

I won't blame you if you want to turn around
I won't blame you, it's a long way down
I won't blame you if you want to turn around
I won't blame you, it's a long way down

Cut me off tonight
Cut me off tonight
I won't blame you
Cut me off tonight
I won't blame you
Cut me off tonight

Is the party over? Where's my head?
Out of touch with who I've been
A thousand miles away from you
Is this just bad luck
Or is the party over? Where's my head?

Out of touch with who I've been
A thousand miles away from you
Is this just bad luck
Or is the party over?

It's all a blur in the morning
Cut me off tonight
How do we cope?
Cut me off tonight
How did we choke?
(It's all a blur in the morning)
Cut me off tonight
How do we cope?
(It's all a blur in the morning)
Cut me off tonight
How did we choke?
(It's all a blur in the morning)
It's all a blur in the morning
