

Familiar Faces

Seaway

All I am is a breathing vision,
and you're just in the way.
And I'll tell you one thing,
you're headed straight for nothing,
and that's all I'm waiting for.

Just because you did it wrong
doesn't mean you have to drag me down
and push me along,
the path that you took and held so strong,
you just don't seem to get it.

I've said it before and I'll say it again,
the rules set in place are bound to bend,
so I'll make my own and build my home
with the best of friends and do what I know.

Fuck the familiar faces,
who give me looks everyday.
Friendship means everything
and nothing can replace this.
I couldn't give a damn about shitty people in shitty places.

All I am is a breathing vision,
and you're just in the way.
And I'll tell you one thing,
you're headed straight for nothing,
and that's all I'm waiting for.

Fuck the familiar faces.
I've said it before and I'll say it again.
