

# Lula on the Beach

Seaway

Green and blue, eyes on you  
And now the temperature is rising  
Hit the loud, settle down  
Head out the window, not surprising

I'm with Lula on the beach  
I'm with Lula on the beach  
I'm with Lula on the beach

Go for a rip, take a dip  
Check out the polka dot bikinis  
(That she wore for the first time today)  
Fill my cup, say what's up  
The margaritas make it easy  
Living easy

And I'll be honest  
I'm not used to going out before the sun goes down  
But now the haze is gone, I'm in a better place

I'm with Lula on the beach  
I'm with Lula on the beach  
I'm with Lula on the beach  
I'm with Lula on the beach  
I'm with Lula on the beach

You've been away too long  
Trapped in the glow of your old PlayStation  
Go grab your board right now  
And let's hit the coast on a mini-vacation

I'm with Lula on the beach  
Feeling pretty, soaking heat  
You can find us on our mini-vacation  
This is where I want to be  
Here with Lula on the beach

This is where I want to be  
This is where I want to be  
This is where I want to be  
Oh yeah, I'm with Lula on the... beach!

I'm with Lula on the beach  
Feeling pretty, soaking heat  
You can find us on our mini-vacation  
This is where I want to be  
Oh yeah, I'm with Lula on the beach
